

PATIENT OBSTETRICAL FINANCIAL AGREEMENT

Patient Name: _____ DOB: ____/____/____ EDD: ____/____/____

This agreement is to inform you of anticipated fees, which may be acquired during the course of your pregnancy. Unlike other types of services, prenatal care and delivery are billed globally and will be billed at the end of your pregnancy. We will call and review your obstetrical benefits with your insurance carrier after your first visit once we confirm your pregnancy. Our billing specialist will then call you to review your benefits and anticipated costs. AWM does require any estimated patient responsibility for the delivery to be paid by your 36th week of pregnancy.

Our billing department will contact you to set up a payment plan based on your insurance benefits. The balance must be PAID IN FULL on or before your 36th week of pregnancy.

If you have a HSA/HRA that you are planning to use to cover some of your patient responsibility, you will need to fax a letter confirming that information and the amount is available. The billing specialist can review this with you during your call.

During your pregnancy, physicians may order labs, ultrasounds, or non-stress tests. These services will be billed to your insurance at the time of the service, and are not included in the global delivery fee. Additionally, if you are seen for any problem or condition unrelated to your pregnancy, we are required to bill for the office visit. Your responsibility for these services will be determined by your contract with your insurance company.

Should you have a change in insurance coverage, it is your responsibility to notify us immediately. Any delays could result in additional out-of-pocket expenses or denied claims.

Any unpaid or remaining balances on the patient's account after your insurance has made payment may be considered for collection and/or discharge if not paid promptly upon receiving a statement.

Our office accepts Cash, Bank Card, Visa, MasterCard and Discover.

PLEASE NOTE THIS IS FOR PHYSICIAN SERVICES ONLY. FACILITY SERVICES ARE BILLED SEPARATELY BY ST JOSEPH'S HOSPITAL.
